Belgium
**STEF signs an agreement with TDL Group
to acquire its transport and logistics activities
dedicated to food products**

STEF announces that it has signed an agreement with TDL Group for the acquisition of the scope of TDL Fresh Logistics, 100% specialised in the transport and logistics of fresh and frozen food products. The transaction is subject to approval by the Belgian Competition Authority.

Created in 1980, TDL Fresh Logistics employs 400 people and has 3 sites.

With this acquisition, STEF in Belgium continues its ongoing commitment to improving its service offering for players in the agri-food supply chain.

About STEF Group

STEF is a *pure player* in the agri-food supply chain. The Group combines transport, logistics and packaging expertise dedicated to temperature-controlled food products. STEF is present in 8 countries and employs over 22,000 people who work to provide tailor-made solutions to food industry, retail and out-of-home catering customers in a sustainable approach.
